Chairman's Message

Dear Shareholders,

It gives me immense pleasure in welcoming you to the 23rd Annual General Meeting of your Company. The Director's Report and Audited Accounts for the year ended 31st March, 2014 are already with you and with your permission, I take them as read. Before I take up the agenda for today's meeting, I would like to share with you some of my perception relating to the Coal & Steel Industry and the performance of NRIL, as well as the growth opportunities pursued by the Company.

The Steel and its allied industries still continue to suffer depressed prices and reduced volume in market resulting in reduced margins. The high interest burden and other overheads has put a question mark on the viability of the business. NRIL even after trying hard could not control the losses incurred by it in the steel sector. The company had already sold 2 of it's steel furnaces during earlier years. Further, during the previous financial year 2014, the company has sold it's remaining assets relating to steel industry including land, factory building, plant & machinery etc. Thereby closing all operations relating to steel sector. Your directors are trying to reduce the debt burden on your company by selling off the assets and paying to banks. Your directors now expect to reduce cash losses and make the company profitable in the next few years.

Your company is doing well in the business of transportation and handling which is now the core business of the company. Though the turnover of your company has reduced marginally from Rs. 25.30 crores to Rs. 24.68 crores, your company achieved it's objective to convert it in profits. Your company has earned a Profit before tax of Rs. 0.11 crore as against the loss before tax of Rs. 0.88 crore in the corresponding previous year. Due to continued loss incurred by the company in previous years, your Board of Directors could not recommend for any dividend even for the current financial year ended as on 31.03.2014.

N. R. INTERNATIONAL LIMITED

(CIN No. L74999WB1991PLC051738)

The Company has now consolidated its business activities and is now on a good track which will help to increase profit in future. Your directors are exploring other business opportunities wherein the growth will be stable and consistent beside concentrating on Logistic services like Handling and Coastal Sea Transportation business which will derive more earning for the future years. The company is also waiting for the better time to start it's manufacturing activities in coke.

On behalf of the Company and all of you, I take this opportunity to thank our valued customers, investors, suppliers, bankers, consultants, the Member of the Board, the Government of India, the Government of Orissa and in particular, the NRIL collective, for their excellent support and co-ordination to achieve yet another year of success for the Company. We are committed to strive together as a team to attain the main objective of the Company while ensuring our economical, social & moral commitments.

I once again welcome you and thank you for the confidence you have reposed on us.

The company has also surrendered it's licenses / registrations under the VAT, Entry Tax, Central Excise and other statutory bodies. However part of the outstandings has been paid out of sale proceeds of fixed assets.
